## JANUARY 2006 NEWSLETTER

### Eastern Europe Ministry Feedback:

*"We are so appreciative of this team, who gave so much personally to be here.*

*They were a blessing to us in every way. They inspired nationals with their words and their work. Everyone wants to know when they will return.*

*We are appreciative of the home fellowships that sent them.*

*We have had lots of different types of teams visit over the 6 years I have been here, and each one has contributed in their own way. We have appreciated each individual, as well as each team. These ladies seem to have set a pattern for what will work in the future. Speaking to nationals, teaching is what they feel they need and appreciate.*

*Again we want to express our deep appreciation for what the team has done. May they be blessed in return, pressed down, shaken together and running over. They have surely made an impact in this nation.*

*A presentation to almost the entire orphanage, including many staff, leaves them in no doubt that they each have a heavenly father who sent his son to redeem. A miracle took place... "*

**Thanks to our supporters:** *Thank you for your words of encouragement, for affirming what we are doing, for sharing a word in season, and for the times of fellowship we enjoy when we are able to spend time together. Thank you for supporting us in so many ways and in particular for supporting us financially. We are humbled at the way the Lord supplies our every need, many times **through you**. Thank you for believing in us, and for putting that belief into such very practical action. Thank you for praying for us – for our protection as we travel, for physical needs, for insight into the cultures with which we work and for our own continued spiritual growth. YOU stand with us and are a very vital part of what we do. A deposit of your faith, your love, your heart goes with us into every nation, which in 2005 included Cambodia, Thailand, Belarus, Czech Republic, the US and Australia.*

*May you know God's blessings in return – in every area of your lives*
