TRAINING

CARPENTER'S CROSS MINISTRIES

Training for leaders from villages in East Malaysia.

Stockholm

Malaysia

Ministry in both East and West Malaysia included training, children's ministry and preaching in local churches. This involved both the New Life Churches and New Life Restoration Churches. The response was good from both urban and village leaders. It was great to see the fruit of the foundation of our ministry laid over two decades in these churches.

Stockholm

This October the second "Awakening Europe" Stadium Crusade was held in Stockholm Sweden. Like the first one held last year in Germany, we saw thousands coming to Christ as a result of witnessing the supernatural power of the Holy Spirit. A great hunger is growing in Europe and hearts are responding to the love of God in demonstration through healing and words of knowledge. This ministry was part of an international team of children's leaders gathering the children at the crusade to encounter God and share Jesus with their families on the streets of Stockholm. Six interpreters were needed for the children because of the languages represented. At the end of the weekend the children did a prayer tunnel for each of the parents & workers.

Reaching the Nations

Carpenter's Cross Ministries continues to impact the nations partnering with World Impact. This year included ministry to the nations of **Ethiopia, Egypt, Jordan, Malaysia, Australia, USA, and Sweden**. Thanks to the partnership of World Impact-CityLife, training and empowering national workers has been expanded in all these nations. The fruit of this 26 year relationship with CityLife has seen a generational multiplication of the gospel. Many children reached over the years are today's pastors, youth leaders and children's workers. Making disciples of nations and impacting a generation we will never see is a core value of this ministry.

SOUTHERN CROSS & ROYAL FAMILY CAMPS

Ministry involvement in Southern Cross and Royal Family Kids Camps continues. These camps were established for children who are victims of extreme trauma and abuse. The purpose of these camps is to give each child a week of happy childhood memories, heal broken identity, and restore trust. Children are referred by social services who are eager to send them to a camp of this quality along with providing a cost free respite for their caregivers.

WOMEN'S RETREATS

Included in the ministry schedule was an annual Women's Retreat sponsored by Hope Center. It was again held in Leavenworth, Washington. Ladies from several churches attended for a weekend of refreshing in the Holy Spirit.

FLYING "HOLY SPIRIT AIR" CAMPS

Thank you all for your support, prayers and encouragements this year. Your resources are like soldiers advancing His Kingdom in the nations. "Of the increase of his government and peace there shall be no end." Isaiah 9:7

Blessings,

Sue Carpenter
